

Dear prospective member,

Thank you for your interest in Northern Kentucky Fly Fishers (NKFF). Whether you are just thinking about trying the sport, a beginner who has the fever and wants more or a seasoned veteran who is constantly refining the art, we have something to offer you.

NKFF's mission is to "Promote the sport of fly fishing..." We strive to accomplish this charge by offering a broad array of educational programs, by working to conserve and protect our natural resources so that future generations may enjoy our sport and by acting to preserve our right to fish and our access to public waters.

We also promote the sport of fly fishing by making sure that we are having fun. Take a glance at our calendar of events and you will see that the opportunities we create for developing and refining your skills through organized fishing trips to local, state and regional waters are endless. We have monthly dinner gatherings in a very comfortable setting with imaginative programs, good food and drink. We also have monthly fly tying get-togethers that foster learning the art in a relaxed and informal setting. We do our best to create an atmosphere where together we can learn, contribute and enjoy and where new friendships are born and flourish.

Finally, we give back to our community. Our activities throughout the year include sponsoring events for children throughout Northern Kentucky. We create countless opportunities for kids, who might not otherwise have the opportunity, to enjoy and appreciate the great outdoors and learn a sport that will endure throughout a lifetime. Wait until you see the smile that overwhelms the face of a child when they catch their first fish and you'll know that you've made a difference.

We hope that you will join us as we "Pass on the Tradition" of fly fishing to newcomers to the sport and future generations. Call us and leave your name, address and phone number and we'll send you an Information Packet or visit our web site ([www.nkyflyfishers.org](http://www.nkyflyfishers.org)) for additional information about NKFF. Better yet, join us at one of our monthly meetings and your first dinner is our treat.

We look forward to meeting you.

Sincerely,

Jack Randall, Membership Director

NORTHERN KENTUCKY FLY FISHERS, INC

5531 Strike The Gold Dr

Burlington, KY 41005

NKFF is an Affiliate Club of the FEDERATION of FLY FISHERS and is a member club in the 5th District Federation of Kentucky Sportsmen and a partner organization with the Kentucky Wildlife Conservation Partnership

Northern Kentucky Fly Fishers is a nonprofit, domestic corporation organized exclusively for educational and conservation purposes within the meaning of Section 501 (c) (3) of the Internal Revenue Code, including for such purposes, the making of distributions to organizations that qualify as exempt organizations under Section 501 (c) (3) of the Internal Revenue Code, or corresponding section of any future federal tax code.
